

# FIRST FLOOR WORKS

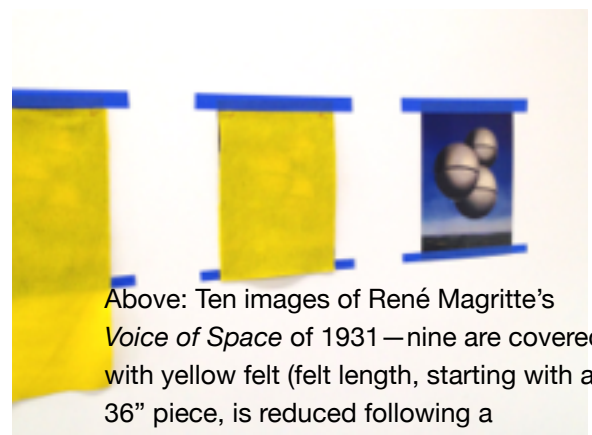

Left: Banner after Nicholas Roerich's "Banner of Peace." For Roerich the three dots symbolized Art, Science, and Religion. Above: Banners displaying open and closed laurel leaf symbols and the symbol for the reduced Planck's constant.

## Erik Bakke's Site-Specific Installation for ThirdSpace: On view at ThirdSpace Fitness at 550 South First Street in San Jose, CA

Receptions held during First Friday art events on 2/6/2015 and 3/6/2015

Above: Version of *Laurel* painting including laurel leaf symbols; references to California ghost towns of Wrights and Laurel; Chinese text referring to Wu Gang chopping down an ever growing laurel tree—a Sisyphus-like myth; and the formula for Heisenberg's uncertainty principle.

Above: Ten images of René Magritte's *Voice of Space* of 1931 — nine are covered with yellow felt (felt length, starting with a 36" piece, is reduced following a Fibonacci sequence: 0, 1, 1, 2, 3, 5, 8, 13, 21, 36)

# SECOND FLOOR WORKS

Right (clockwise from top left): Laurel leaf symbol felt works; blank California flag; ancient peace symbol over California state flag; variation of ancient peace symbol entitled *Superhero*.

Below: Large *TEPCO* work. *TEPCO* (Tokyo Electric Power Company) is the operator of the Fukushima Daiichi nuclear power plant. Three horizontal dots over two vertical dots is the basis for the *TEPCO* logo.
